## SUMMER 2016

Summer classes are not mandatory for our PEEPs dancers; however, **they are strongly encouraged**. In the month of July, UDA has a four week summer session that focuses on ballet, jazz, tap and hip hop technique classes; helping dancers maintain their flexibility, strength and technique over the three month summer break. Please look at our 2016 Summer Brochure to see what is available for your dancer.

## SPECIAL NOTE:

Participation in both ballet and jazz genres of the PEEPs program is strongly encouraged. This allows your child to participate in two dances at each performance. The following special allowances are given to dancers who participate in both jazz and ballet PEEPs programs:

- The “Ballet” production fee will be discounted to \$150 as opposed to \$220.
- Dancers who participate in both programs may take ONE recital jazz class in addition to their ballet recital and technical classes. *\*This is instead of taking both the jazz recital and technical class IF the dancer was only doing the PEEPs Jazz program.*
