Utah Dance Artists Receives 2015 Best of South Jordan Award
South Jordan Award Program Honors the Achievement

SOUTH JORDAN March 16, 2015 -- Utah Dance Artists has been selected for the 2015 Best of South Jordan Award in the Dancing Instruction category by the South Jordan Award Program.

Each year, the South Jordan Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the South Jordan area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2015 South Jordan Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the South Jordan Award Program and data provided by third parties.

We also wanted you to know that Utah Dance Artists is among a very small group of companies that have won the Best of South Jordan Award for two consecutive years. This distinction has qualified Utah Dance Artists for the 2015 South Jordan Business Hall of Fame. This is an elite group of businesses and UDA will receive their special award later this year. We are grateful to those who help our business grow! We could not have accomplished this without your efforts.
