## SUMMER 2017

Summer classes are not mandatory for our Stars dancers; however, **they are strongly encouraged**. In the month of July, UDA has a four week summer session that focuses on ballet, jazz, tap and hip hop technique classes; helping dancers maintain their flexibility, strength and technique over the three month summer break. Please look at our 2017 Summer Brochure to see what is available for your dancer.

## SPECIAL NOTE:

*Participation in both ballet and jazz genres of the Stars program is strongly encouraged.* This will allow your child to participate in two dances at each performance. The following special allowance is given to dancers who participate in both genres of the Stars program: Dancers who participate in both genres will be required to take both the ballet recital and technique classes, but will have the choice of taking **either** the jazz recital OR jazz technique class.
